REMARKS

As a preliminary issue, Applicants note that the Advisory Action of June 13, 2007 indicates that the Rule 1.116 Amendment of June 4, 2007 has been entered. Therefore this Supplemental Amendment is prepared based on that understanding.

Statement of Substance of Interview: A telephonic interview was conducted by Applicants' representative with Examiner Alexander Thomas on June 4, 2007. During the interview, Figure 7 was discussed. No agreement was reached.

With this Supplemental Amendment, Applicants cancel claims 1, 4-10, 16-20, 24, 25, 28-30, 32, and 34. Therefore, claims 15, 21, and 23 are all the claims currently pending in this Application.

The Examiner indicates that all pending claims: claims 15, 21, and 23 are allowed. All other claims are cancelled, as indicated.

Figure 7, which is objected to by the Examiner, as well as the language added to the specification with the Amendment of February 1, 2007 in order to describe Figure 7, has been cancelled.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
